

Judie moved to OTOW in 2008 from Connecticut. She has also lived in Ohio. Judie retired from being a middle school teacher (bless her heart). She taught both PE and Health. Judie's favorite memory of golf is winning the Candler Hills Ladies President's Cup. When not playing golf, Judy enjoys pop tennis, horseback riding and badminton. And if you don't already know, Judie loves purple and giraffes (you might notice this in her golf attire).
