

Kay and her husband, Dale, moved to OTOW's Windsor East in March 2011. They came from nearby Safety Harbor, FL. In her previous life, she was a systems analyst and loved numbers, as accounting was one of her talents. She has been playing golf for around 11 years and is currently playing 3-4 times a week. She enjoys tournaments and has served on golf committees. Besides golf, one can find her in the kitchen baking up a storm (we'll have some cookies please). Say hay to Kay.
