

Page and Lori moved to On Top of the World in 2016 from beautiful, Ocala, FL and live in the Providence neighborhood. Page also lived in Montana where it is not quite so warm. Before retirement, Page was a teacher and guidance counselor in the public schools, so you know she has a lot of patience. It is hard to believe that Page has only been playing golf (for real, as she says) for over a year now. Like most, she played occasionally here and there, but did not play steadily until coming here. Well, good thing she retired because she hits a great ball. If not golfing, you might find her kayaking or traveling.
