

Mary Jo Lock is welcomed back to the Ladies leagues. She is a snowbird and travels between here and Michigan. Mary Jo used to live in Stone Creek before coming to OTOW in 2018. In her previous life, she worked in human resources. Her favorite golf memory is getting a hole-in-one. While not golfing, she enjoys reading and stained-glass crafting. You can often find her stained-glass creations at the OTOW craft fair on Tuesday mornings. Mary Jo also loves her two dogs.
