

Sandy recently moved into Longleaf Ridge 4 in July. She and her husband, Tom, are from outside Tampa, FL. They also have a home in Athens, AL where they visit the kids and grandkids. Sandy has been playing golf on and off for over 30 years but enjoys it sometimes five times a week since she retired three years ago from Citigroup as a director. She has had four eagles in her life but is still looking for that Ace. In her spare time, she likes cooking, entertaining, landscaping, traveling, and spending time with their grandkids and two pups. A fun fact is that she owns a grand piano but does not play. Maybe lessons are in her horizon here at OTOW.
