

Michelle is one of our few members who does not live in OTOW. She moved near the Florida Horse Park in 2017 from Fort Lauderdale. Michelle has been playing golf for approximately 30 years and now plays 4 times a week. She also plays with the Brassies. One of her fondest memories was playing in Alaska. In her spare time, she likes to bike, hike, camp and waterski. Before retirement, Michele worked for UPS. A fun fact about Michele is that she used to drag race in a 1970 Mustang.
