

Beverly (aka: Bev) lives in Friendship Colony and moved here in 2005. She moved here from San Francisco, CA, but was born in Iowa and has also lived in Ohio, New York, Rhode Island, and Ecuador. She used to be a professor. Bev plays four times a week and has been playing since she was 15 years old. She also plays with the Brassies and with OBT. Bev has been past president of LGA 18-holers and the Brassies. She is also involved in planning committees. In her spare time Bev plays guitar, writes songs, reads, plays bridge and exercises. Bev related a great memory of playing golf with her mom here at OTOW and only beating her once; Bev was 56 and mom was 80. That was the last time mom played golf.
