

Beth moved to On Top of the World in 2011 from New York City and lives here full-time. In her former life, she was a teacher. Now she has more time to enjoy cooking, reading, and believe it or not, ice hockey. We assume that is watching and not playing. Beth always seems to find the positive in situations and people, which makes her the perfect person to write league articles for the OTOW newspaper. Her fabulous pieces not only highlight our talented members, but also encourage others to join. Beth is happy to play golf four times a week and her favorite moment was when she hit a hole in one in June 2021.
